

"Where is all the young dancers!"

Ballet Akademiet in collaboration with dance artist Simon Beyer-Pedersen (DK) is looking for young dancers in and around Aarhus for the dance creation "ODOTA", premiered for the public of Aarhus the 12th. of July 2018.

We are searching for:

Energized or advanced dancers in the age 15 - 30 years old in/around Aarhus. Dancers with a contemporary or classical dance technique or other physical background are very welcome to apply.

We offer:

A opportunity to work in a professional process lead by contemporary choreographer. Searching yourself in a new individual, creative and movemental way. Opportunity to perform with other advanced enthusiastic dance talents for the public of Aarhus.

Do I fit the profile:

If the text above inspired you and you can answer yes to: being positiv, not afraid of hard work, never give up, like expressing and challenging yourself, being creative, get inspired with and by other dancers and working in groups, this is the perfect summer performance for you.
